BRAD'S THOUGHTS

Sometimes we fall into the trap of thinking God only loves people who have it all together or only uses perfect people to serve Him. But Scripture is honest about the kinds of people God uses. Time and again God uses people with real flaws, failures, doubts, and sin. Abraham lied, Moses lost his temper, David had an affair, Peter even denied knowing Jesus.

And yet God loved and pursued each of them and used them to do great things for His Kingdom! Why? Because He wants to show us that our hope should never rely on our own perfection, our own efforts, or our own righteousness.

If it could, if we could save ourselves by ourselves, God wouldn't have needed to send the Messiah at all.

Hebrews 7:11 teaches us that if sufficient obedience "could have been attained" through human effort, there would have been no need for Jesus.

Jesus alone lived without sin. Jesus alone stands as our perfect mediator. Jesus alone is the only acceptable sacrifice, "the Lamb of God that takes away the sin of the world". (John 1:29). Through Christ, God receives and restores imperfect people like you and me.

So when you struggle and stumble, don't run from God, run to Him. He saves and transforms sinners through His great mercy. And let us strive together to walk in the light knowing He'll carry us through.

Brad

Let the peace of Christ
rule in your hearts, since
as members of one body
you were called to peace.
And be thankful.
Colossians 3:15
